All-Star Cheerleading

All-Star Novice Cheerleading (Age 3-11)

Novice teams have lower time and financial commitment levels compared to All-Star Prep & Elite All Star teams which practice and compete nearly year round. Our All Star Novice teams practice once weekly and compete based on age and skill. All Star Novice teams are judged on a standard rating system as opposed to being scored against other teams they compete against. The routine they perform is 1 minutes and 30 seconds in length as opposed to 2 minutes and 30 seconds for All Star Elite.

Program Highlights
- Travel up to 250 miles
